Dear Hiring Manager,

I am writing to express my interest in the Data Analyst Intern position at Eezy Group, as advertised. With a Bachelor's Degree in Computer and Mathematics and a strong foundation in data analysis, I am excited about the opportunity to contribute to your team and support the company's decision-making processes through data-driven insights.

During my academic journey, I developed proficiency in data analysis tools such as Excel and SQL, along with a solid understanding of data visualization techniques. I am particularly drawn to this internship at Eezy Group due to your commitment to fostering an inclusive and innovative environment. I share your values of collaboration and continuous improvement, and I am eager to leverage my attention to detail and organizational skills to support the development of data-driven strategies and recommendations.
